

ART EXPLOSION FOR MIAMI BEACH'S RETAIL REAL ESTATE MARKET: TERRANOVA CORPORATION WELCOMES MULTIPLE NEW TENANTS

MIAMI BEACH, November 5, 2019 - Terranova Corporation, South Florida's leading commercial real estate firm, has announced a plethora of new tenants opening on Miami Beach's coveted world-famous pedestrian thoroughfare **Lincoln Road**.

With the holidays and Art Basel quickly approaching, brands are "popping up" in Miami Beach. On Lincoln Road, three new art galleries are embracing the diversity of Miami Beach's local and tourist populations and joining the vibrant mix of dining destinations and retail stores on the Road.

- Paul Gruner's passion for the oceans, wildlife and world travel has inspired him to capture breathtaking photography to share with others. A trailblazer, **Paul Gruner Art** is bringing large three-dimensional photography for a six month pop-up at **737 Lincoln Road**. Now open, guests can experience these 3D images and be transported to the heart of the photo bringing these images to life.
- Born in Mexico City, Pepe Soho describes his photographs as a love letter to nature. Acknowledged as one of Mexico's most important contemporary photographers, Pepe Soho was honored at the 2017 World Photographic Cup in Japan. **Pepe Soho Photography** will bring his vision to transport the beauty of Mexico's landscapes to the rest of the world when he opens later this month at **721 Lincoln Road** for a six month pop-up.
- Based in Palm Beach, Florida, **Galerie 255** was founded for the exhibition and promotion of established mid-career and emerging artists whose work stems from a Northern European movement using a natural process as inspiration for creation. See select innovative works when Galerie 255 presents some of Europe's hottest contemporary artists for a limited time at **1655 Meridian Avenue** from November 20 through December 19th.

"These pop-ups bring culture and creativity to Lincoln Road and provide valuable growth, diversity, and flavor to the district during the holidays and Art Basel," says Stephen Bittel, Chairman and Founder of Terranova Corporation. All located on the 700 block of Lincoln Road, they will join a roster of national and local tenants including Anthropologie, Armani Exchange, Tumi, and the Lincoln Eatery.
